Greetings dear customer,

Please note that we are making slight changes to our website to give you a better user experience. The modifications will be complete by the end of August, 2009. We'll be making several changes during this period, and we will try our best to keep the downtime as small as possible. We apologize for any inconvenience this may cause you.

You can still access old home page through: <http://www.dvrshark.com/old-page.html>. This page will be available at all times and will expire once the changes are finalized.

We are integrating a menu bar in the new website, and to login to your user account, you will have to click on 'My Account'. Please see the image below.

Please do not hesitate to contact us if you have any questions. You can email us at [info@dvrshark.com](mailto:info@dvrshark.com) with all your questions or reach us by phone at (403) 400-4773. We are open Monday – Saturday 10am to 5pm.

Thank you.
